To

C. S. Balasundaram Iyer, Esq., B. A.,
Chief Secretary to Government of H. H. the Maharaja of
Mysore, Bangalore.

(through)

The Director of Industries and Commerce in Mysore, Bangalore.

Sir,

With reference to your letter No.J.2286/Legis.46-16-16 dated the 22nd December 1917, I have the honour to state that notices have been served on all the tanners in the State prohibiting the tanning of ~~the~~ skins. In accordance with the instructions contained in para 2 of the letter, an inquiry is being personally conducted by me in regard to the claims of a tanner at Chintamani to tan skins and a separate reference will be submitted after it is completed.

In regard to the arrangements that are necessary to prevent illicit skin tanning, I beg to submit that a separate temporary establishment, preferably selected from the Police, may be employed to assist me. Govern-ment are aware that the tanning of skins is believed to be highly profi-table and as such tanning can easily be carried on secretly in tanneries, constant supervision is necessary to prevent a violation of the order of Government.

I am informed by Mr. WOOd, the Controller of tanning stuffs, who was at Bangalore a few days ago that three tanning Inspectors with suitable establishments have been appointed by the Madras Government.

Pol 1-40pm

114

There are at present 45 tanneries in Bangalore and 12 tanneries in other parts of the State. The Inspector General of Police whom I consulted in the matter proposes that a small establishment of six constables under one Head Constable should be located at Devarajeevanahalli, the chief tanning centre near Bangalore. An Inspector together with six constables should be employed for the supervision of the tanneries in the districts as well as those near Bangalore. He considers that a European Inspector would be preferable and that the entire scheme will cost Rs.400/- a month as follows:--

Inspector.	Pay and Horse Allowance.	Rs.100-0-0 plus 20-0-0.
	Travelling Allowance.	80-0-0.
Head Constable.		25-0-0 plus 10-0-0.
12 constables on Rs. 10/- each		120-0-0.
Contribution towards kit etc.,		45-0-0.
	Total.	Rs.400-0-0.

I beg to submit that the establishment recommended by the Inspector General of Police may be sanctioned to enable an effectual supervision being exercised. As the subject relates to an emergency measure taken during the war , I beg to submit that Government may be moved to pass early orders on this letter.

I have the honour to be,

Sir,

Your most obedient servant,

Ramaswamy Iyengar Dewan Sahib

Deputy Director.

Sir,

With reference to Government Proceedings No. J.3609-11 Police.117-17-2 dated the 2nd March 1918, sanctioning for the period of one year, a temporary Police establishment in connection with the prevention of illicit tanning of skins, I have the honor to state that owing to the inadequacy of the present rate of pay to the constables in the Bangalore City there is a large number of vacancies in the City force and it is, in the circumstances, impossible to depute men at Rs.10/- from the City for the special work and entertain new men in their places. I therefore request that you will be so good as to obtain the sanction of Government providing a pay of Rs.12/- each (the pay of a first class City constable according to the reorganization Scheme now before Government) for the constables on the temporary establishment so as to facilitate the selection of suitable men for the appointment and the appointment of substitutes in their place.
